

# Wareham Arc

An **ambitious nature recovery project** is happening right on your doorstep! Find out more about how this exciting project, that brings together **more than 25 local organisations, farmers and conservation charities**, plans to...

restore  
rivers

expand  
nature  
friendly  
farming

support local  
communities

diversify  
forests

improve  
biodiversity

Drop in at an event near you to  
discover more...
